# Thetford Music Project

Thetford Music Project is an after-school activity that offers children living in and around Thetford the opportunity to learn an instrument or sing and perform with others.

*"My son joined TMP when he was about 9 yrs. He'd always fancied trying saxophone and TMP made it financially feasible for him to give it a go. He is now 15 yrs and plays jazz saxophone and guitar to grade 8 standard and beyond. He is aiming to study jazz at conservatoire in a few years time. We will always be grateful for the opportunity and the positive start he had with TMP."*

Lessons take place on Thursdays after school during term time at Thetford Academy, Croxton Road, Thetford, IP24 1LH.

**Colin Armes President Thetford Music** tells us about Thetford Music Project and why the 100 Club is so important.

"The Thetford Music Project has been serving the young people of Thetford for some nineteen years. Hundreds of young people have made use of the tuition that is available provided by qualified tutors at a modest cost.

Many parents would not be able to pay for expensive private lessons and that was the main reason for the projects creation. Not only has it enriched lives and given young people a life time skill, but also some have moved on to be professional teachers and players, even playing in military bands as a life career.

# Thetford Music roject

Not many towns are lucky enough to have organisations like Thetford Music Project and we are rightfully proud of what has been achieved over those years in providing the service to all young people in Thetford and district.

We exist by generous donations and grants. The project also runs a 100 club (tote) to raise funds and since it started this has raised in the region of £10,000 - an amazing achievement and incredibly important in keeping the project running.

It costs just £2 per month to belong to the 100 Club and cash prizes are paid out every other month - a win, win! If you are able to help in this way we would be most grateful.

If you have been a member of the Thetford Music Project and feel that this has made a difference to your life , please get in touch we would love to hear from you."
